

GATHERINGS CARDIFF TINY FARM

AN OUTDOOR VENUE ROOTED IN
NATURE, BEAUTY, AND COMMUNITY

OVERVIEW

Located just a few blocks from Swamis, Cardiff Tiny Farm is a small organic farm designed for intimate gatherings rooted in nature, beauty, and community.

Originally created to reconnect people with where their food comes from, the farm has become a place for dinners, workshops, celebrations, and conversations that feel personal rather than performative.

Whether you're bringing together family, hosting your team, or enjoying one of our farm-to-table dinners, our goal is simple:

Create an evening that leaves people feeling inspired to make something beautiful in the world.

Let's Build Something Beautiful Together

No two gatherings are alike.

Whether you already have a clear vision or are just beginning to explore ideas, we'd be happy to work alongside you to create an experience that feels authentic to you and your guests.

From seasonal menus and local chef partnerships to music, florals, and thoughtful details, we're here to help shape an evening that people will remember.

Tell us a little about your gathering, including your preferred date, estimated guest count, and the kind of experience you have in mind.
